Minor, San Francisco State University: Political Science, 2001
AA, DeAnza College: Graphic Design, 2005
AA, DeAnza College: Interactive Design, 2005

PROFESSIONAL ACTIVITIES

WEB SITES (SELECTED URLS)

Ibex Engineering, <http://www.ibexeng.com>

This engineering company needed an online presence. We incorporated a stunning design with pages that housed their technical documents in an organized fashion.

Dynamically Speaking, <http://www.dynamicallyspeaking.com>

The CEO needed a website to generate more business for her professional public speaking training.

Percsys Innovations, <http://www.percsys.com>

This was our first medical related website explaining what they are all about.

PROFESSIONAL EXPERIENCE

GRAPHIC ARTIST, DRBPARTNERS.COM

December, 2006-January, 2009

As a Graphic Artist for small print and online marketing company I used strategic design to communicate ideas effectively. I created bold and pleasing designs for print ads and online materials such as websites and flash animations.

ART PRODUCTION MANAGER, WORLDRES.COM

January, 2001-September, 2005

- Responsible for maintaining and color correcting all new hotel photos.
- Responsible for managing a team of production artists.
- Created corporate, consumer, and partner visual art.
- Established a process that streamlined other departments internal processes.
